

Willie Chiang (ME 81)

WCW (Willie) Chiang is Executive Vice President and Chief Operating Officer (U.S.), for Plains All American GP LLC, the general partner of Plains All American Pipeline, L.P. ("PAA"). PAA is a NYSE listed master limited partnership that owns and operates midstream energy infrastructure and provides logistics services for crude oil, natural gas liquids ("NGL"), natural gas, and refined products. PAA is one of the largest midstream companies in North America with an extensive network of pipeline transportation, terminalling, storage, and gathering assets located in key crude oil and NGL producing basins and transportation corridors and at major market hubs in the United States and Canada.

Mr. Chiang joined PAA in 2015 from Occidental Petroleum Corporation where he served as Executive Vice President, Operations since 2012. He has more than 30 years of energy industry experience, and previous roles include Sr. Vice President, Downstream and Commercial, President, Americas Supply and Trading, President Downstream Strategy, Integration, and Specialty Businesses, and refining management roles for ConocoPhillips and predecessor companies.

He has served on the boards of DCP Midstream and Chevron Phillips Chemical and has been extensively involved in the American Petroleum Institute. He currently serves in director roles on the United Way of Greater Houston Board, Society for the Performing Arts, as well as the Board of Trustees for the South Dakota School of Mines and Technology Foundation.

Mr. Chiang holds a bachelor's degree in Mechanical Engineering from the South Dakota School of Mines and Technology and completed the Advanced Management Program at the University of Pennsylvania's Wharton School of Business.
